

We are pleased to announce that, in conjunction with Investia Financial Services, we were able to negotiate the addition of a new optional Privasure coverage. The new optional limit is:

- \$100,000 per claim / \$100,000 aggregate limit, with a \$5,000 deductible – premium of \$195

Please note Axis will not be approving any midterm limit increases throughout the policy term, so it is important to review your current limits and determine if you wish to increase your coverage for the 2024 term. Please note that any limit increase requests must be made **prior to May 15<sup>th</sup>, 2024**. Due to the current market conditions, limit increases are referred to the underwriter for approval and may not be automatically approved. Any request for mid-term cyber limit increases made after **May 15<sup>th</sup>, 2024** will be denied.

Please note that advisors wishing to increase their Cyber coverage will be required to sign the [warranty included herein](#) and return it to our offices prior to **May 15<sup>th</sup>, 2024**.

**The mandatory cyber coverage will remain \$50,000 per claim. If you do not wish to increase your limit, no further action is required on your part.**
